Haier
Premium Collection

Electric wine set with USB

Wine set composition

- X1 Tulip wine aerator pourer
- X1 Wine opener with USB recharger
- X1 Foil cutter
- X1 Wine pump with 2 stoppers

PRODUCT DESCRIPTION:

The electric wine set is a branded Haier set of wine accessories that allows the **opening**, **serving** and **closing** of any standard **bottle of wine**. This set distinguishes from the other because of the charging method. The box includes a USB cave to recharge the wine opener after opening over than 30 bottles. Sold in a branded giftbox.
