SCREENFORCE™
TemperedCurve 2-in-1
Treated Screen Protector + Bumper

Protect your Apple Watch Series 7 from edge to edge with this hybrid screen protector and bumper. Engineered from high-quality Japanese glass, the curved surface safeguards your device from bumps, scratches, and other wear and tear. The TemperedCurve glass is treated with an antimicrobial agent to protect the product from discoloration and degradation. All of this is delivered with precision touch sensitivity and crystal clarity to maintain the natural look and feel of your screen. Flawless application is easy with the simple snap on/snap off design.

The Belkin SCREENFORCE Family

Maximum protection concentrated into the thinnest possible element. ScreenForce is engineered to look and feel like the phone screen it protects, preserving clarity and touchscreen sensitivity for a barely-there experience. Beneath the tactile, glass-like surface, this hard-hitting protector provides impact protection, scratch resistance, and enhanced durability to deliver long-lasting, resilient screen protection.

The Belkin SCREENFORCE Family Characteristics

- Provides impact protection by absorbing shock of impact to protect phone screen
- Multi-layer composition provides enhanced durability
- Tested using optometric standards to provide best-in-class crystal clarity
- Tested according to the pencil hardness test for superior scratch resistance
- Super-thin design provides protection without bulkiness
- Intelligent materials preserve touchscreen sensitivity
- Glass composition provides a tactile response that feels like the natural screen
- Precision-cut by machine to cover the maximum screen area for longer-lasting protection
- Anti-fingerprint coating repels dirt and smudges

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- Enhanced durability from multi-layer composition and impact protection
