Delock Woven Sleeve self-closing heat-resistant 5 m x 25 mm blue

Description

This woven sleeve by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage. It consists of special continuous fibres (monofilament and multifilament) and thus offers increased flame resistance and abrasion resistance.

Self-closing
The woven sleeve closes automatically after adding the cables. The cables can be added or removed multiple times.

Cuttable
A hot cutting tool can help to shorten the length individually.

Specification

- Length: ca. 5 m
- Diameter: ca. 25 mm
- Bundle diameter: max. 26 mm
- Environmental temperature: -50 °C ~ 150 °C
- Reusable
- Material: polyester monofilament and multifilament
- Fire-resistance rating: 94V-2
- Colour: blue

Package content

- Woven sleeve

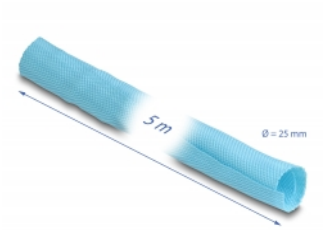

Item no. 20883

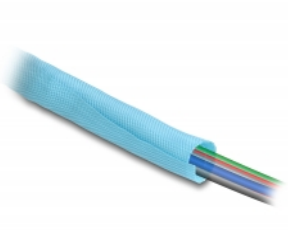

EAN: 4043619208838

Country of origin: China

Package: Zip poly bag
