# Fire bowl Basic 60

Item Number: 755.01600.00 EAN: 7611602081477

The Basic Garden Fire from eldur is a fire bowl with grill plate and the ideal fireplace for the small garden.

On the fire plate can be grilled, cooked and baked. On the one hand, indirect grilling can be done on the closed part of the plate, or cooking can be done with a pan. Fondue or raclette can also be prepared directly on the plate. On the other hand, on the grate part directly over the coal or fire can be grilled classically. The Garden Fire also impresses as a fire bowl in every summer or winter night.
