Delock Hook-and-loop cable tie L 200 x W 12 mm white 10 pieces

Description

These hook-and-loop cable ties by Delock are ideal for space saving bundling of e.g. individual cables, wires, hoses or conduits.

Reusable due to hook-and-loop fastener
By using the strap, the cable tie can be securely fixed to a cable, so that the cable tie won't get lost. The hook-and-loop fastener allows the cable tie to be quickly attached and easily removed again.

Perfectly organized and versatile
The hook-and-loop cable ties are compatible with all types of cables e.g. network cables, USB cables, HDMI cables, charging cables, power cables etc. Whether in the office, at home or at work, the cables always remain neatly sorted and leave a tidy overall impression. The hook-and-loop cable ties are the perfect solution for keeping things tidy and preventing cable tangles.
