Useful companion

This cable is the ideal companion for on the go e.g. on business trips or on holidays, since it combines the three most common interfaces in one cable for the latest mobile devices. This avoids annoying cable clutter and unnecessary carrying around of countless cables. Due to the different cable colours, it is easier to distinguish the different interfaces.

Quality and performance

The cable is very sturdy and durable due to its robust textile shielding, strong strain relief and metal housing at all cable ends. The high cable gauge of 24 AWG also supports a stable power supply of up to 3 A.
