Delock Braided Sleeving self-closing 2 m x 19 mm black

Description

This braided sleeving by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage.

Self-closing
The braided sleeving closes automatically after adding the cables.

Brilliant resistance
The braided sleeving is characterized by its abrasion resistance and heat resistance.

Reusable
The cables and tubes can be added or removed multiple times.

Cuttable
A hot cutting tool can help to shorten the length of the braided sleeving individually.

Specification
