Delock Universal Coax Crimping Tool for 4 different diameters straight

Description

With this tool by Delock a network cable can be installed quickly and easily to a connector. The rubberized handles provide a firm grip during the crimping process.

Exchangeable ratchets
The press profile insert, the so-called ratchets, are exchangeable, so that the right pair can be installed for every application.

Note

The plier has a locking mechanism to prevent unintentional closing or opening. Seven clearly audible locking points signal this mechanism. After the seventh, the pliers open again when the handles are pressed together.
