Delock Cable Ties flexible L 150 x W 4 mm assorted colors set 10 pieces

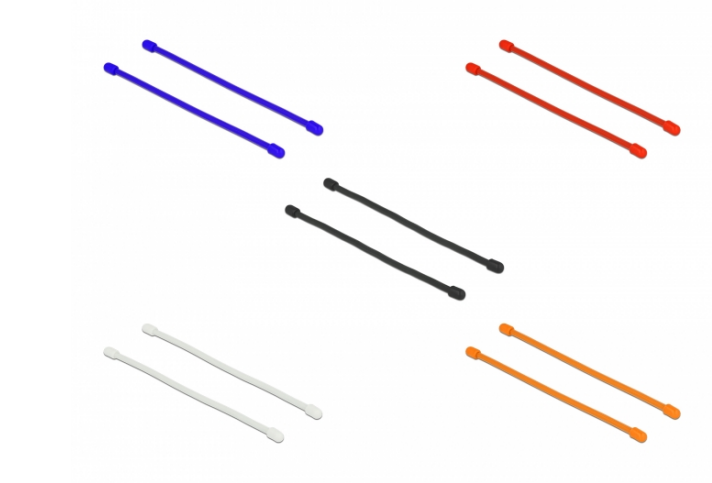

Description

These cable ties by Delock can be used to bundle exposed cables to provide neat and orderly sorting.

Reusable
Due to the rubber coating, the cable ties can be flexibly bent and can therefore be used for several times.

Multifunctional application
The cable ties can be used e. g. for headphones, charging and adapter cables.

Different colours
The cable ties are available in 5 different colours for better visibility and identification.
