Delock USB 3 in 1 Retractable Charging Cable Type-A to Micro USB / 2 x USB Type-C™ with Fast Charging white

Description

This practical 3 in 1 retractable cable by Delock can be connected to a power source with USB-A connection and can be used to charge single devices with Micro USB or USB Type-C™ interface.

Useful companion

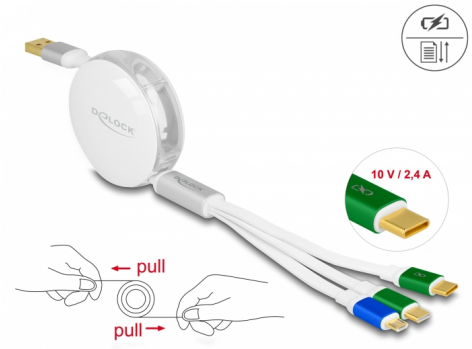

This cable is the ideal companion for on the go e.g. on business trips or on holidays, since it combines the two most common interfaces in one cable for the latest mobile devices. This avoids annoying cable clutter and unnecessary carrying around of countless cables.

Fast charging and power

One of the two USB Type-C™ ports enables the data transfer as well as **fast charging** with a power bank or modern USB chargers. The other two connectors can be used for charging only.

Flexible

The charging cable can be pulled out in five stages and thus offers different cable lengths, depending on requirements.

Item no. 85358

EAN: 4043619853588

Country of origin: China

Package: Zip poly bag

Specification

- Connectors:
  1 x USB 2.0 Type-A male >
  1 x USB Type Micro-B male (charging only)
  1 x USB Type-C™ male (charging only)
  1 x USB Type-C™ male (Fast Charging + data transfer)
- Maximum output current: 3 A
- Voltage: max. 5 V
- Fast Charging function: 10 V / 2.4 A
- Data transfer rate up to 480 Mbps
- Cable gauge: 22 AWG
- Flat cable
