Product sheet

my little morphee

My Little Morphée contains **192 meditative journeys** to prepare children before bedtime or help calm them down during the day.

These sessions include **visualisation**, **breathing and relaxation exercises**. All sessions were carried out by sleep experts.

- Content -

- **128 soothing journeys** during which the child sets off to discover a resource, guided by an animal of his or her choice.
- **32 meditation sessions** that enable the child to control his emotions and gain self-confidence.
- **16 nature sounds** (cat purring, sea, fire...).
- **16 soft music tracks** specially created for My Little Morphée

- Power & battery -

The battery has a capacity of approximately **3 hours on play mode, that's almost 15 stories!**

My Little Morphée can be charged either:
- by plugging it to a **computer** (with the supplied USB cable)
- by using a **USB power adapter** (not included).

When the battery is low, **a red LED light flashes**. It needs charging. When My Little Morphée, is plugged in, **the red LED light no longer flashes**. Once My Little Morphée is fully charged, **the LED light turns green.**
