# Delock USB Sound Box 7.1

## Description

The USB Sound Box 7.1 by Delock expands the PC or laptop by one sound card. By outsourcing the sound processor, all disturbing influences can be minimized, so that the perfect sound is maintained. Just connect the Sound Box to a free USB port of the PC or laptop and connect the speakers or earphones to it. This product is ideal for applications like Skype, when using a headset. The result is phenomenal!

**Item no. 61803**

EAN: 4043619618033

Country of origin: China

Package: Retail Box
