

LENOVO C24

TOOL UP FOR BUSINESS

THE MONITOR TO EMPOWER YOU AND YOUR WORKFORCE

With screen time growing in all our lives, we need new versatile solutions to get the best from every work day. Designed to power your productivity, Lenovo C24-20 is the answer. Its 23.8-inch VA panel display with expansive 178°/178° view angle delivers quality visuals to everyone, no matter how many colleagues are in front of your screen or which angle you choose to view from. AMD FreeSync* takes image tearing completely out of the picture. And there's no ghosting due to the monitor's 4ms response time. Get into the best position with its adjustable tilt stand and option for VESA wall-mounting while a low blue light mode reduces eye fatigue even after long hours of working. 3-side NearEdgeless display makes viewing all about the picture and reduces distractions in multi-screen setups. And with universal connectivity to your devices through HDMI or VGA ports and integrated cable management through the stand, C24-20 keeps every space connected yet clutter-free. It's the option that works to your advantage.

FEATURES OF LENOVO C24-20 MONITOR

Limitless productivity

The 23.8" VA panel display offers you a broad 178°/178° viewing angle, giving everyone in front of the screen an ideal view. While its 3-side NearEdgeless form factor removes distracting borders and makes multi-screen setups more seamless. The 1920 x 1080 FHD resolution keeps pixels sharp and pictures perfect, even for tiny small print or minuscule spreadsheets, letting you work with ease.

Distraction-free viewing

TÜV Rheinland Low Blue Light certification is proven to let you watch in greater comfort, no matter how long you sit crunching numbers. And with its adjustable tilt stand, 100mm VESA mount and support for Lenovo TINY pc, it's always in the perfect position to empower your productivity.

Optimum connectivity Minimum clutter

The monitor's integrated cable management channels wires through the stand itself, keeping your workspace free for better productivity. Universal connectivity through HDMI and even VGA lets you effortlessly hook up to PCs and practically all your devices. Plus Audio Out through HDMI gives you a quality sound signal to your headphones.
