Navilock Laptop Security Cable for USB Type-A port with Combination Lock

Description

This universal laptop security lock by Navilock enables to lock different devices e.g. laptop, projector, monitor etc. at any place. The steel cable with its 1.8 m and 3 digit combination lock can be tied easily around objects like chairs, table-leg or anything similar and thus the device will be saved against theft. The swivel joint facilitates the attachment of the lock.

Carbon steel
This **carbon steel cable with protective plastic shielding** is characterised by particularly high cut and theft protection and, at just 126 grams and a length of 1.8 m it offers optimum mobility.

Item no. 20916
