Delock USB 5 Gbps Switch 4 x Device and 2 x Host

Description

This USB switch by Delock can be used with **two computers** to access **four USB devices**. For example, if a printer is connected, it can be selected by the button on the switch, which of the computers is connected to the printer. This connection can be switched at any time.

Connecting cable in package content

The cables to connect to the two computers are included in the package. There is an **adapter** on the host side of the cable, so a connection to a **USB-C™ or USB-A port** is possible.
Furthermore, a power cable for optional power supply is included in the package. This is necessary if a power supply via the host devices is insufficient.

Item no. 88066

EAN: 4043619880669

Country of origin: China

Package: Retail Box

Specification

- Connectors:
  Input:
  2 x USB 5 Gbps USB Type-C™ female
