Heat Shrink Tube X-pattern non-slip 1 m x 30 mm red

Description

This heat shrink tube by Delock can be used on a variety of items that require a non-slip grip, e.g. tools, fitness equipment, tennis rackets or fishing rods. Under the effect of heat, the sleeve completely encloses the grip and shrinks. This protects the grip from the effects of the influence of weather and mechanical damage.

Application of shrink tubes
The heat shrink tube can be heated with a hot air gun; the hose shrinks to half of its original diameter when heated at a 2:1 shrinkage ratio.

Specification

- Length: ca. 1 m
- Diameter: ca. 30 mm
- Non-slip
- X-pattern
- Shrinkage ratio 2:1
- Shrinking temperature: 70 °C ~ 125 °C
- Material: polyolefin
- Colour: red

Package content

- Heat shrink tube

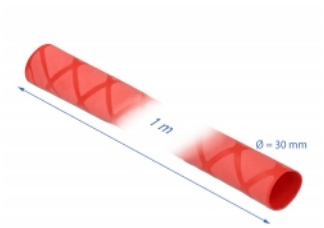

Item no. 19598

EAN: 4043619195985

Country of origin: China

Package: Zip poly bag
