THE **22MM CUTIE® WAVER**

Introducing Mermade waves like you've never seen them before. Our NEW Cutie Waver forms seamless 22mm waves without leaving any harsh lines. Our triple barrel design with advanced ceramics means you don't need to compromise time to get on-trend Mermade waves. Leave as is for fun shape and volume, or brush out to achieve the most relaxed yet chic beach waves. Available in a lively lilac colour-way, the 22mm waver will be the sweetest addition to your Mermade collection.

"waves that are (almost) too cute to handle"
