Memphis Vintage Record Player Dark Wood

Step back in time and relive the styles and sounds of your favourite tracks with the Memphis record player system from Fenton. Featuring a wealth of listening choices designed to play vinyl records, CDs, cassettes and digital radio with USB connectivity, all presented within this multi-functional device. The three speed vinyl turntable plays records of 33, 45 and 78 rpm, with additional CD and cassette compatibility for loading your favourite old school tracks. The radio tuner can be adjusted across both DAB+ and FM radio stations to tune in to different channels, filling the room with the clear audio sound from the 2 x 25W speakers. Use the USB port for converting your vinyl or cassettes to MP3 via your pc with the supplied software.
