19″ Cable Management Routing Panel with 2 openings 1U black

Description

This routing panel by Delock is suitable for installation in a 19″ network cabinet.

Proper laying of cables
The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

Removable cover for optimal cable management
The removable front panel hides open cables and protects them from damage.

Horizontal openings
On the rear side, the panel is equipped with two openings to allow easy cable access.
