Xiaomi Air fryer 6L

Cook for all

ID: 44576 SKU: BHR6942EU

[EU Version] Model: MAF08

Large 6L capacity, Party feast for all

With large capacity, the air fryer can easily hold lots of food and cook enough for all in in a single batch.

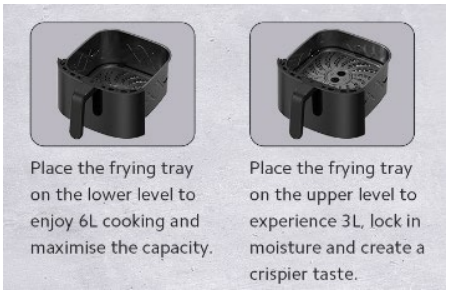

15 chicken wings | 8-inch pizza | 9 egg tarts

Innovative adjustable capacity design

Easy switching from 6L to 3L with height-adjustable tray.

NTC precise heat control 40-200℃ wide temperature range

Ideal for low-temperature defrosting and fermentation, as well as mid-to high-temperature baking and tenderizing. Built-in NTC temperature sensor for finely tuned, more accurate heat control and more efficient cooking.

360° heated air circulation for less oil cooking

The stainless steel heating element quickly reaches the target temperature and combines with the hot air circulation system to filter out fat while effectively locking in moisture, for healthy, low-fat and tasty food.

Smart start-pause for safety

A built-in micro-switch pauses cooking when you pull out the basket and resumes the program when you close it, making it easier and safer to add or check on food.

Smart interactive control panel
Cook intelligently and deliciously

Easily prepare your favourite dishes using 6 pre-set modes, or set the temperature and time manually.

Shake reminder

The shake reminder function automatically reminds users to shake the food to ensure it cooks evenly.

Specifications
