Fast charging and power

The USB data and charging cable enables fast charging with its 60 W with a power bank or modern USB chargers. Quick Charge 3.0 is supported up to 20 V and 3 A.

LED indicator

As soon as the cable is connected to a power source, the LED lights up in green and then changes to a colour gradient with three different colours (green, orange, red), when a device is charged. The lighting is always discreet and inconspicuous.
