CONNECTABLE LIGHT CHAIN

CONNECTA

premium light chain

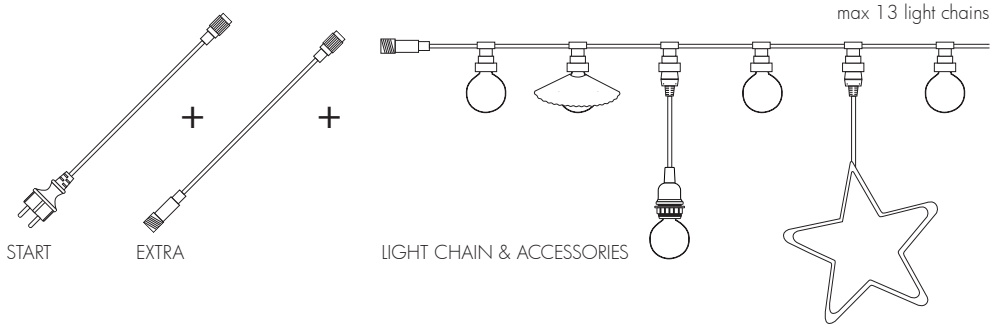

STAR® TRADING

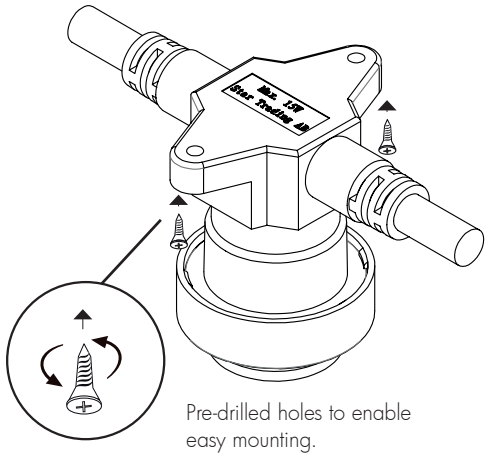

CONNECTABLE LIGHT CHAINS IN BLACK & WHITE

– up to 13 light chains (maximum 2.000 W/15W bulbs

Connecta is easy to install and flexible in its design. Combine a start cable, a light chain, and suitable light bulbs. Unlike ordinary light chains with fixed bulbs, you can choose the light source freely. Extend the Connecta solution with more chains, extension cables, and add on accessories. Light bulbs with PC cover are a great fit, as they fit perfectly outdoors and can withstand harsh conditions. When mounting, the weight of the chain must be evenly distributed to relieve the weight of the couplings.

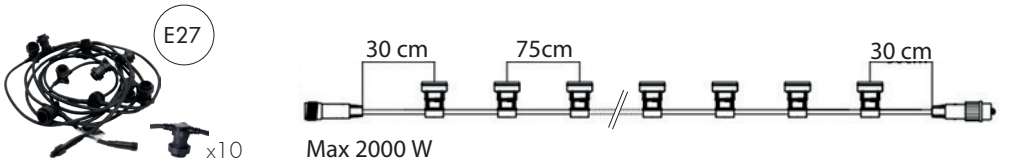

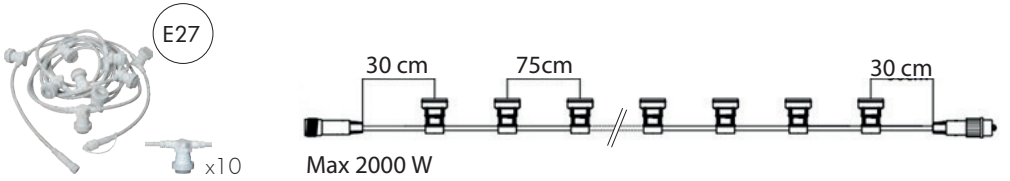

Pre-drilled holes to enable easy mounting.

IP44

CONNECTA - A SMART LIGHT CHAIN

Connecta is a flexible and high-quality light chain system, for both private and public environments. Light sources can easily be changed based on needs and it is easy to extend Connecta to the required length. Add accessories to achieve the desired look.

- E27, B22 and E14 max 15 W
- Connectable and extendable up to 13 chains or 2.000 W
- For both indoor and outdoor use
- 4 meters (E14) 7,35 meters (E27 and B22)
- Pre-drilled holes for easy mounting
