Delock Cold Shrink Tube 25 mm x 130 mm 2 pcs black

Description

This cold shrink tube by Delock can be used for mechanical protection of e.g. cables, tubes or wires.

Toolfree shrinking
The installation is done by simply pulling out the plastic insert, and the cable will be completely wrapped, insulated and sealed. A special tool such as a heat gun to heat the tube is not required.

Brilliant resistance
The shrink tubing offers increased resistance to weathering, acids, alkalis, ozone and UV radiation and is ideal for outdoor use.

Item no. 20858

EAN: 4043619208586
Country of origin: China
Package: Zip poly bag

Specification

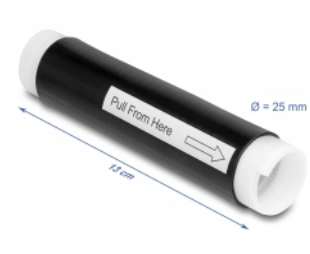

- Length: ca. 130 mm
- Diameter: ca. 25 mm
- Inner diameter (after shrinkage): ca. 6.5 mm
- Easy installation without tool
